

Privacy Policy

Updated July 27, 2018

When you're visiting the SeeYa Web Design site, I don't want you to worry that I will misuse the information you share with me about yourself. It is important to me that all of my customers understand what information I gather about them, how I use it, and how I work to protect it. By using the SeeYa Web Design service and this website, you consent to the information practices described in this policy. Keep in mind that your use of the SeeYa Web Design service is also subject to, and controlled by, the SeeYa Web Design Terms of Conditions Agreement.

My Commitment To Privacy

Your privacy is important to me. To better protect your privacy I provide this notice explaining about my online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, I make it available on my home page and at every point where personally identifiable information may be requested.

The Information I Collect

Personally Identifiable Information is information that can be used to locate you, contact you, or determine your specific identity. When other information is linked to Personally Identifiable Information, it also becomes Personally Identifiable Information.

SeeYa Web Design collects Personally Identifiable Information from you in several ways:

- 1) When you register for the SeeYa Web Design Service, I ask you for basic registration information, such as your name, company, address, email address, phone and other basic contact information ("Registration Information").
- 2) I may ask you for voluntary personal information at other times, including but not limited to when you provide opinions or report a problem with SeeYa Web Design service ("Optional Information").

In addition to the collection of Personally Identifiable Information, I may also automatically receive and record information in my server logs from your browser, including your IP address, your computer's name, the type and version of your web browser, referrer addresses, and other generally-accepted log information. I may also record page views (hit counts) and other general statistical and tracking information. This information will not be associated with your Personally Identifiable Information.

Cookies

I absolutely collect no cookies or write cookies to your machine in any way.

The Way I Use Information

I use the information you provide about yourself to provide web design, web hosting and Search engine services. I do not share this information with outside parties except to the extent necessary to complete your request for my services. seeyawebdesign.com reserves the right to reveal this information pursuant to a valid subpoena or court order.

I use return email addresses to answer the email I receive for tech support, customer service, web and email updates. Such addresses are not used for any other purpose and are not shared with outside parties.

Finally, I never use or share the personally identifiable information provided to me online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

My Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, I have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information I collect online.

Service Providers

SeeYa Web Design may employ third party companies and individuals to facilitate my Service, to provide the Service on my behalf and to perform Site-related services (“Service Providers”). The types of Service Providers I may use include, without limitation, service providers that provide the following types of services: webcasting, website maintenance, database management and web analytics. My Service Providers have access to your Personal Information only to perform these tasks on my behalf and are obligated not to disclose or use it for any other purpose.

My Commitment To Children’s Privacy

Protecting the privacy of the very young is especially important. For that reason, I never collect or maintain information at my website from those I actually know are under 13, and no part of my website is structured to attract anyone under 13.

Third-Party Websites

This website may provide links to third-party websites. Any such links are provided solely as a convenience to you. SeeYa Web Design has no control over these websites or their content and does not assume any responsibility or liability for these websites. SeeYa Web Design does not endorse or make any representations about these websites, or any information, materials, or products found thereon. If you access any of the third-party websites linked on this website, you do so at your own risk.

How You Can Access Or Correct Your Information

At any time, you may later review or update the personal information I have collected online from you by contacting me by phone or email.

To protect your privacy and security, I will also take reasonable steps to verify your identity before granting access or making corrections.

Changes To This Privacy Policy

If I decide to change my privacy policy, I will post those changes to this privacy statement, the home page, and other places I deem appropriate so that you are aware of what information I collect, how I use it, and under what circumstances, if any, I disclose it.

I reserve the right to modify this privacy statement at any time, so please review it frequently. If I make material changes to this policy, I will notify you here, by email, or by means of a notice on my home page.

How To Contact Me

Should you have other questions or concerns about these privacy policies, please write to me at info@seeyawebdesign.com.
